

SPECIFICATION GRADE LED

GARAGE LIGHTERS

BL SERIES

The Lumensource Garage Lighters provides an excellent replacement to traditional light sources such as metal halide. The original die-cast aluminum housing provides high performance, energy saving, and long lasting light output perfect for area lighting needs. Bi-level configurable to low light levels at no motion and high light levels when movements detected by built-in PIR sensors.

Project: _____

Date: _____

Notes: _____

Configuration: _____

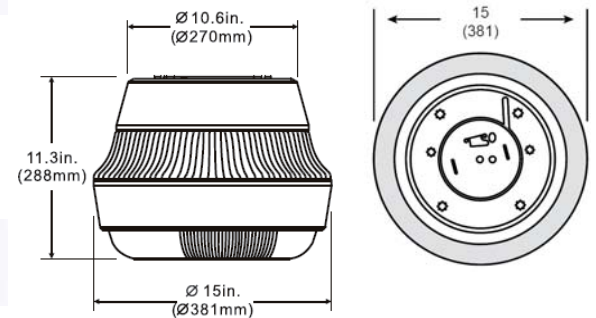

FEATURES

- Universal input voltage for easy installation
- Protective power coating for lasting appearance
- Gasketed enclosure for ruggedized outdoor application
- Hidden PIR sensor with surround sensing levels
